

HOW TO LAUNCH A FUNDRAISER

We've included everything you need to launch a fundraiser in this folder.

PLAN A - PRE-SELL INDIVIDUAL JARS

1. Distribute copies of the following forms to your group members and begin selling:

Sales Tracking Sheet

Salsa Descriptions

Facts and Safety Tips

2. Notify us by phone or email that your fundraiser is starting. We will add your organization's name to our website to enable online sales to friends and relatives living out of state. We'll also create flyers so the sales people can e-mail them to friends and family.
3. When the sales period is complete, the group administrator collects the Sales Tracking Sheets and compiles the order on the Jose' Madrid Salsa Order Form. Submit the order form to us and remit payment of 50% of the money collected.
 - a. Mail the order form and a check to Jose Madrid Salsa, P.O. Box 1061, Zanesville, OH 43702-1061.
 - b. Email the Order Form to us and call us with a credit card number.

PLAN B - BUY THEN SELL

In Plan B the group administrator would merely fill out an Order Form and send it to us along with a payment. The Order Form and payment can be remitted via the same two options listed in Step 3 under Plan A.

Orders are fulfilled within 10 days of receiving payment. Most of the time orders are shipped within a week of receiving payment. Orders of 96 jars (8 cases) or more receive free shipping. Smaller orders will incur a nominal shipping fee. If you have additional questions feel free to write us at mike@josemadridsalsa.com or call at 740-521-4304.
